

Shopping centre visit is a winner

AN 11-year-old girl enjoyed the rub of the green as she won a Nintendo Wii.

Letteria Baxter picked up her prize after coming first in the recent 'Quiz Quest' at Edmonton Green shopping centre.

She was one of many local youngsters to take part in the week-long competition which saw entrants exploring the regenerated shopping centre to answer various questions based on the Olympics.

Runners-up were Jayda Wallace, 11, and Toyah Clarke, ten, who each received a gym membership and tickets to Millfield Theatre.

The event was run thanks to the combined efforts of Enfield Council, developer St Modwen and Edmonton Green Leisure Centre and was supported by local charity Art Start.

"The event was a huge success," said Hatice Abdullah of Enfield Council.
