

Shoppers have a ball as they go to the wall at fun day

SHOPPERS got more than they bargained for at Edmonton Green Shopping Centre last Friday when they were given the chance to scale a 25ft wall.

As part of an activities day, visitors also had the chance to try their hand at the new US craze of aeroball – a combination of basketball and trampolining – in the North Square and West Mall.

Expert instructors were on hand for the event, which was hosted by St Modwen, the developer behind the regeneration of the area

Centre manager Brendan Wee said: "Both the climbing wall and aeroball were fantastic. Everyone had a wonderful time and it was a fun way to end the Easter holidays."
