

■ ABOVE: Children at Grange Park Primary School show off their colourful pictures inspired by Edmonton Green Shopping Centre.

They visited the centre to learn more about the local area and Brendan Webb, shopping centre manager, (pictured back right) was invited back to the school in Winchmore Hill, by headteacher Paul Smith (back left).

Mr Smith said: "They loved drawing the exotic things they saw during their visit including the crabs and the lobsters at the fishmongers and they were mesmerised by the parrots at the pet shop."
