Lights fantastic!

SOME Christmas cheer arrives early in Edmonton with the switching on of the Christmas tree lights.

Edmonton Green Shopping Centre in Market Square, Edmonton, played host to an afternoon of music and festive entertainment, ending with the Christmas tree lights being turned on by Mayor of Enfield, Councillor Lee Chamberlain. He was joined by local

female basketball stars, the Edmonton Green Phoenix.

St Modwen, the developer behind the regeneration of the area, teamed up with event organisers Enfield Council to lay on a feast of entertainment.

Brendan Webb, of St Modwen, said: "It was wonderful to see so many members of the community at the event. It shows how important the centre is in bringing people together."
