

Important Changes: Customer Car Parking at Edmonton Green

We have introduced a new car parking system that means you no longer need a ticket. Instead, the new system captures your vehicle registration number as you enter!

To make sure you don't forget your vehicle registration number, we have provided you with a cut-out card for your purse or wallet.

Simply write your vehicle registration number on the card and refer to it when paying.

**Write your vehicle
registration number here**

EDMONTON GREEN 

ParkJockey
WWW.PARKJOCKEY.COM

New Car Park System

How it works:

- 1 As you approach the car park, cameras will capture your vehicle registration number. Park your vehicle as usual
- 2 When you are ready to leave, please pay at one of the Pay Stations by entering your vehicle registration number. You can also Pay-by-Web by visiting:
parkjockey.com/pay
and entering location code   **5014**
- 3 Please return to your car and proceed to the exit. You have 15 minutes after your payment to leave the car park
